Eligibility for Coverage: *When will I become eligible?*

You will become eligible for coverage on the latest to occur

of: 1) the Policy Effective Date;

- 2) the date on which the department for which You provide services as an Active Firefighter becomes a Participating Department; or
- 3) the date on which You complete the Eligibility Waiting Period for Coverage through a Participating Department shown in the Schedule of Insurance, if applicable.

Enrollment: *How do I enroll for coverage?*

All eligible Active Firefighters will be enrolled automatically by the Policyholder.

PERIOD OF COVERAGE

Effective Date: *When does my coverage start?*

Your coverage will start on the date You become eligible.

Deferred Effective Date: *When will my effective date for coverage or a change in my coverage be deferred?*

If You are absent from service as an Active Firefighter due to:

- 1) accidental bodily injury;
- 2) sickness;
- 3) Mental Illness;
- 4) Substance Abuse; or
- 5) pregnancy;

on the date Your insurance, or increase in coverage, would otherwise have become effective, Your insurance, or increase in coverage will not become effective until You are Actively at Work one full day.

Continuity From A Prior Policy: *Is there continuity of coverage from a Prior Policy?*

If You were:

- 1) insured under the Prior Policy; and
- 2) not eligible to receive benefits under the Prior Policy;

on the day before the Policy Effective Date, the Deferred Effective Date provision will not apply.

Do I have to satisfy an Elimination Period under The Policy if I was Disabled under the Prior Policy?

If You received monthly benefits for disability under the Prior Policy, and You returned to work as an Active Firefighter before the date coverage began for the Participating Department, then, if within 6 months of Your return to work:

- 1) You have a recurrence of the same disability while covered under The Policy; and
- 2) there are no benefits available for the recurrence under the Prior Policy;

the Elimination Period, which would otherwise apply, will be waived if the recurrence would have been covered without any further elimination period under the Prior Policy.

Termination: *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the date The Policy terminates;
- 2) the date The Policy no longer insures Your Class;
- 3) the date premium payment is due but not paid;
- 4) the date the Participating Department(s) through which You have coverage under the Policy terminates Your employment;
- 5) the date the Participating Department(s) through which You have coverage under the Policy ceases participation in the Policy;
- 6) the date You are no longer a Firefighter with the Participating Department(s) through which You have coverage under the Policy; or
- 7) the date You cease to be an Active Firefighter in an eligible Class for any reason;

unless continued in accordance with any of the Continuation Provisions or if You are eligible for coverage under another Participating Department.

Continuation Provisions: *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by the Policyholder beyond a date shown in the Termination provision, if the Participating Department provides a plan of continuation which applies to all Firefighters the same way. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium by the Policyholder; and
- 3) terminates if:
 - a) the Policy terminates;

- b) the Participating Department ceases participation in the Policy; or
- c) coverage for Your class terminates.

In any event, Your benefit level, or the amount of earnings upon which Your benefits may be based, will be that in effect on the day before Your coverage was continued. Coverage may be continued in accordance with the above restrictions and as described below:

Military Leave of Absence: If You enter active military service and are granted a military leave of absence in writing, Your coverage may be continued for up to 12 weeks. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

Family and Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Coverage while Disabled: *Does my insurance continue while I am Disabled and no longer an Active Firefighter?*

If You are Disabled and You cease to be an Active Firefighter, Your insurance will be continued:

- 1) during the Elimination Period while You remain Disabled by the same Disability; and
- 2) after the Elimination Period for as long as You are entitled to benefits under The Policy.

Waiver of Premium: *Are any premiums due for me while I am Disabled?*

No premium will be due for You:

- 1) after the Elimination Period; and
- 2) for as long as benefits are payable.

Extension of Benefits for Disability: *Do benefits continue if the Policy terminates or the Participating Department stops participating in the Policy?*

If You are entitled to benefits while Disabled and the Policy terminates or the Participating Department stops participating in the Policy, benefits:

- 1) will continue as long as You remain Disabled by the same Disability; but
- 2) will not be provided beyond the date We would have ceased to pay benefits had the insurance remained in force.

Termination of the Policy or the Participating Department's cessation of participating in the Policy for any reason will have no effect on Our liability under this provision.

Conversion Right: *If my coverage under the Policy stops, do I have a right to conversion?*

If Your insurance terminates because:

- 1) Your service as a Firefighter for the Participating Department ends; or
- 2) You are no longer in an eligible Class;

and if:

- 1) a Disability is not preventing You from performing duties of Your Occupation;
- 2) the insurance for Your Class or the Policy has not terminated;
- 3) You are not eligible for coverage under the Policy under another Class; and
- 4) You are not eligible or covered for similar benefits under another group policy;

then You are eligible to enroll for personal insurance under another group policy called the group long term disability conversion policy.

How do I convert my coverage?

To obtain coverage under the group long term disability conversion policy, You must:

- 1) send Us a written enrollment request; and
- 2) pay the required premium and enrollment fee for the conversion policy;

within 30 days of the termination of Your insurance.

If You meet the preceding conditions, We will issue You a certificate of insurance under the group long term disability conversion policy. Such coverage will:

- 1) be issued without Evidence of Insurability;
- 2) be on one of the forms then being issued by Us for conversion purposes; and
- 3) be effective on the day following the date Your insurance under the Policy terminates.

The coverage available under the conversion policy may differ from the Policy. We will determine the terms of the group long term disability conversion policy, including:

- 1) the type and amount of coverage provided; and
- 2) the premium payable;

based on the kinds of insurance provided by the group long term disability conversion policy at the time such enrollment request is made.

BENEFITS

Disability Benefit: *What are my Disability Benefits under The Policy?*

We will pay You a Monthly Benefit if You:

- 1) become Disabled while insured under The Policy;
- 2) are Disabled throughout the Elimination Period;
- 3) remain Disabled beyond the Elimination Period; and
- 4) submit Proof of Loss to Us.

Benefits accrue as of the first day after the Elimination Period and are paid monthly. However, benefits will not exceed the Maximum Duration of Benefits.

Recurrent Disability: *What happens if I Recover but become Disabled again?*

Periods of Recovery during the Elimination Period for one Participating Department will not interrupt the Elimination Period, if the number of days You return to work as an Active Firefighter for that Participating Department are less than one-half (1/2) the number of days of Your Elimination Period.

Any day within such period of Recovery, will not count toward the Elimination Period.

After the Elimination Period, if You return to work as an Active Firefighter for that Participating Department and then become Disabled and such Disability is:

- 1) due to the same cause; or
- 2) due to a related cause; and
- 3) within 6 months of the return to work;

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided You are still insured by The Policy.

If You return to work as an Active Firefighter for that Participating Department 6 months or more, any recurrence of a Disability will be treated as a new Disability for that Participating Department. The new Disability is subject to a new Elimination Period and a new Maximum Duration of Benefits.

Period of Disability means a continuous length of time during which You are Disabled with respect to a specific Participating Department under The Policy.

Recover or Recovery means that You are no longer Disabled with respect to a specific Participating Department and have returned to work with the Participating Department and premiums are being paid for You.

[With respect to Class 1:

Calculation of Monthly Benefit: *How are my Disability benefits calculated?*

If You remain Disabled after the Elimination Period, We will determine Your Monthly Benefit as follows:

- 1) multiply Your Pre-disability Earnings from each Participating Department from which You have been Disabled for the Elimination Period by the Benefit Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit. Current Monthly Earnings will not be used to reduce Your Monthly Benefit, except as follows. If the sum of Your Monthly Benefit and Your Current Monthly Earnings exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of excess.

Calculation of Monthly Benefit: *What happens if the sum of my Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of my Pre-disability Earnings?*

If the sum of Your Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of Your Pre-disability Earnings from all Participating Departments from which You are Disabled, We will reduce Your Monthly Benefit by the amount of the excess. However, Your Monthly Benefit will not be less than the Minimum Monthly Benefit.

If an overpayment occurs, We may recover all or any portion of the overpayment, in accordance with the Overpayment Recovery provision.]

[With respect to Class 2:

Calculation of Monthly Benefit: *How are my Disability benefits calculated?*

If You remain Disabled after the Elimination Period, We will determine Your Monthly Benefit by deducting Other Income Benefits from the Maximum Monthly Benefit.

If an overpayment occurs, We may recover all or any portion of the overpayment, in accordance with the Overpayment Recovery provision.]

Minimum Monthly Benefit: *Is there a Minimum Monthly Benefit?*

Your Monthly Benefit will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

Partial Month Payment: *How is the benefit calculated for a period of less than a month?*

If a Monthly Benefit is payable for a period of less than a month, We will pay 1/30 of the Monthly Benefit for each day You were Disabled.

Termination of Payment: *When will my benefit payments end?*

Benefit payments will stop on the earliest of:

- 1) the date You are no longer Disabled;
- 2) the date You fail to furnish Proof of Loss;
- 3) the date You are no longer under the Regular Care of a Physician;
- 4) the date You refuse Our request that You submit to an examination by a Physician or other qualified medical professional;
- 5) the date of Your death;
- 6) the date You refuse to receive recommended treatment that is generally acknowledged by Physicians to cure, correct or limit the disabling condition;
- 7) the last day benefits are payable according to the Maximum Duration of Benefits;
- 8) the date no further benefits are payable under any provision in The Policy that limits benefit duration; or
- 9) the date You refuse to participate in a Rehabilitation program, or refuse to cooperate with or try:
 - a) modifications made to the work site or job process to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;
 - b) adaptive equipment or devices designed to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;provided a qualified Physician or other qualified medical professional agrees that such modifications, Rehabilitation program or adaptive equipment accommodate Your medical limitation.

[With respect to Class 1:

Family Care Credit Benefit: *What if I must incur expenses for Family Care Services in order to participate in a Rehabilitation program?*

If You are working as part of a program of Rehabilitation, We will, for the purpose of calculating Your benefit, deduct the cost of Family Care from earnings received from work as a part of a program of Rehabilitation, subject to the following limitations:

- 1) Family Care means the care or supervision of:
 - a) Your children under age 13; or
 - b) a member of Your household who is mentally or physically handicapped and dependent upon You for support and maintenance;
- 2) the maximum monthly deduction allowed for each qualifying child or family member is:
 - a) \$350 during the first 12 months of Rehabilitation; and
 - b) \$175 thereafter;but in no event may the deduction exceed the amount of Your monthly earnings;
- 3) Family Care Credits may not exceed a total of \$2,500 during a calendar year;
- 4) the deduction will be reduced proportionally for periods of less than a month;
- 5) the charges for Family Care must be documented by a receipt from the caregiver;
- 6) the credit will cease on the first to occur of the following:
 - a) You are no longer in a Rehabilitation program; or
 - b) Family Care Credits for 24 months have been deducted during Your Disability; and
- 7) no Family Care provided by someone Related to the family member receiving the care will be eligible as a deduction under this provision.

Your Current Monthly Earnings after the deduction of Your Family Care Credit will be used to determine Your Monthly Income Loss.]

[With respect to Class 1:

Survivor Income Benefit: *Will my survivors receive a benefit if I die while receiving Disability Benefits?*

If You were receiving a Monthly Benefit at the time of Your death, We will pay a Survivor Income Benefit, when We receive proof satisfactory to Us:

- 1) of Your death; and
- 2) that the person claiming the benefit is entitled to it.

We must receive the satisfactory proof for Survivor Income Benefits within 1 year of the date of Your death.

The Survivor Income Benefit will only be paid:

- 1) to Your Surviving Spouse; or
- 2) if no Surviving Spouse, in equal shares to Your Surviving Children. If there is no Surviving Spouse or Surviving Children, then no benefit will be paid.

However, We will first apply the Survivor Income Benefit to any overpayment which may exist on Your claim.

If a minor child is entitled to benefits, We may, at Our option, make benefit payments to the person caring for and supporting the child until a legal guardian is appointed.

The Survivor Income Benefit is calculated as 3 times the lesser of:

- 1) Your Monthly Income Loss multiplied by the Benefit Percentage in effect on the date of Your death; or
- 2) The Maximum Monthly Benefit.]

[With respect to Class 2:

Survivor Income Benefit: *Will my survivors receive a benefit if I die while receiving Disability Benefits?*

If a minor child is entitled to benefits, We may, at Our option, make benefit payments to the person caring for and supporting the child until a legal guardian is appointed.

The Survivor Income Benefit is calculated as 3 times Your Maximum Monthly Benefit.]

- 3) may submit written comments, documents, records and other information relating to Your claim.

We will respond to You in writing with Our final decision on the claim.

You must apply for Social Security disability benefits when the length of Your Disability meets the minimum duration required to apply for such benefits. You must apply within 45 days from the date of Our request. If the Social Security Administration denies Your eligibility for benefits, You will be required:

You must apply for disability benefits under a plan offered by a state or municipal government, such as those offered by a public employee retirement system or state teacher retirement system, when the length of Your Disability meets the minimum duration required to apply for such benefits and You are eligible under the plan. If the administrator of that alternative plan denies Your eligibility for benefits, You will be required to follow the process established by the administrator to reconsider the denial.

Benefit Estimates: *How does the Company estimate Disability benefits under the United States Social Security Act or an alternative plan offered by a state or municipal government?*

We reserve the right to reduce Your Monthly Benefit by estimating the Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government, that You or Your spouse and children may be eligible to receive.

When We determine that You or Your dependent may be eligible for benefits, We may estimate the amount of these benefits. We may reduce Your Monthly Benefit by the estimated amount.

Your Monthly Benefit will not be reduced by estimated Social Security disability benefits nor disability benefits under an alternative plan offered by a state or municipal government if:

- 1) You apply for Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government if applicable, and pursue all required appeals in accordance with the Social Security and Plan Offered by a State or Municipal Government provisions; and
- 2) You have signed a form authorizing the Social Security Administration, or the administrator of the alternative plan offered by a state or municipal government if applicable, to release information about awards directly to Us; and
- 3) You have signed and returned Our reimbursement agreement, which confirms that You agree to repay all overpayments.

If We have reduced Your Monthly Benefit by an estimated amount and:

- 1) You or Your dependent are later awarded Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government, We will adjust Your Monthly Benefit when We receive proof of the amount awarded, and determine if it was higher or lower than Our estimate; or
- 2) Your application for Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government, has been denied, We will adjust Your Monthly Benefit when You provide Us proof of final denial from which You cannot appeal from an Administrative Law Judge of the Office of Hearing and Appeals, or similar level under an alternative plan offered by a state or municipal government when available.

If Your Social Security benefits or disability benefits under an alternative plan offered by a state or municipal government were lower than We estimated, and We owe You a refund, We will make such refund in a lump sum. If Your Social Security benefits or disability benefits under an alternative plan offered by a state or municipal government were higher than We estimated, and if Your Monthly Benefit has been overpaid, You must make a lump sum refund to Us equal to all overpayments, in accordance with the Overpayment Recovery provision.

Overpayment: *When does an overpayment occur?*

An overpayment occurs:

- 1) when We determine that the total amount We have paid in benefits is more than the amount that was due to You under The Policy; or
- 2) when payment is made by Us that should have been made under another group policy.

This includes, but is not limited to, overpayments resulting from:

- 1) retroactive awards received from sources listed in the Other Income Benefits definition;
- 2) failure to report, or late notification to Us of any Other Income Benefit(s) or earned income;

- 5) any error We may make.

Overpayment Recovery: *How does the Company exercise the right to recover overpayments?*

Our rights and Your obligations in this regard may also be set forth in the reimbursement agreement You will be required to sign when You become eligible for benefits under The Policy.

If benefits are overpaid on any claim, You must reimburse Us within 30 days.

If reimbursement is not made in a timely manner, We have the right to:

- 1) recover such overpayments from:
 - a) You;
 - b) any other organization;
 - c) any other insurance company;
 - d) any other person to or for whom payment was made; and
 - e) Your estate;
